

QUOTES From WOMEN WORKSHEET

1. Choose a specific quote from a woman who lived on the Texas frontier. Write it down in the space provided. Include the name or type of person who said the quote. Look for quotes that “touch” you in some way.

Quote:

2. In your own words, describe what the quote means and under what circumstances it would have been said.

What do you think the quote means?

3. What does the quote mean to you? (or) Which of your own ancestors might have had a similar experience?
